Poinsettia Star

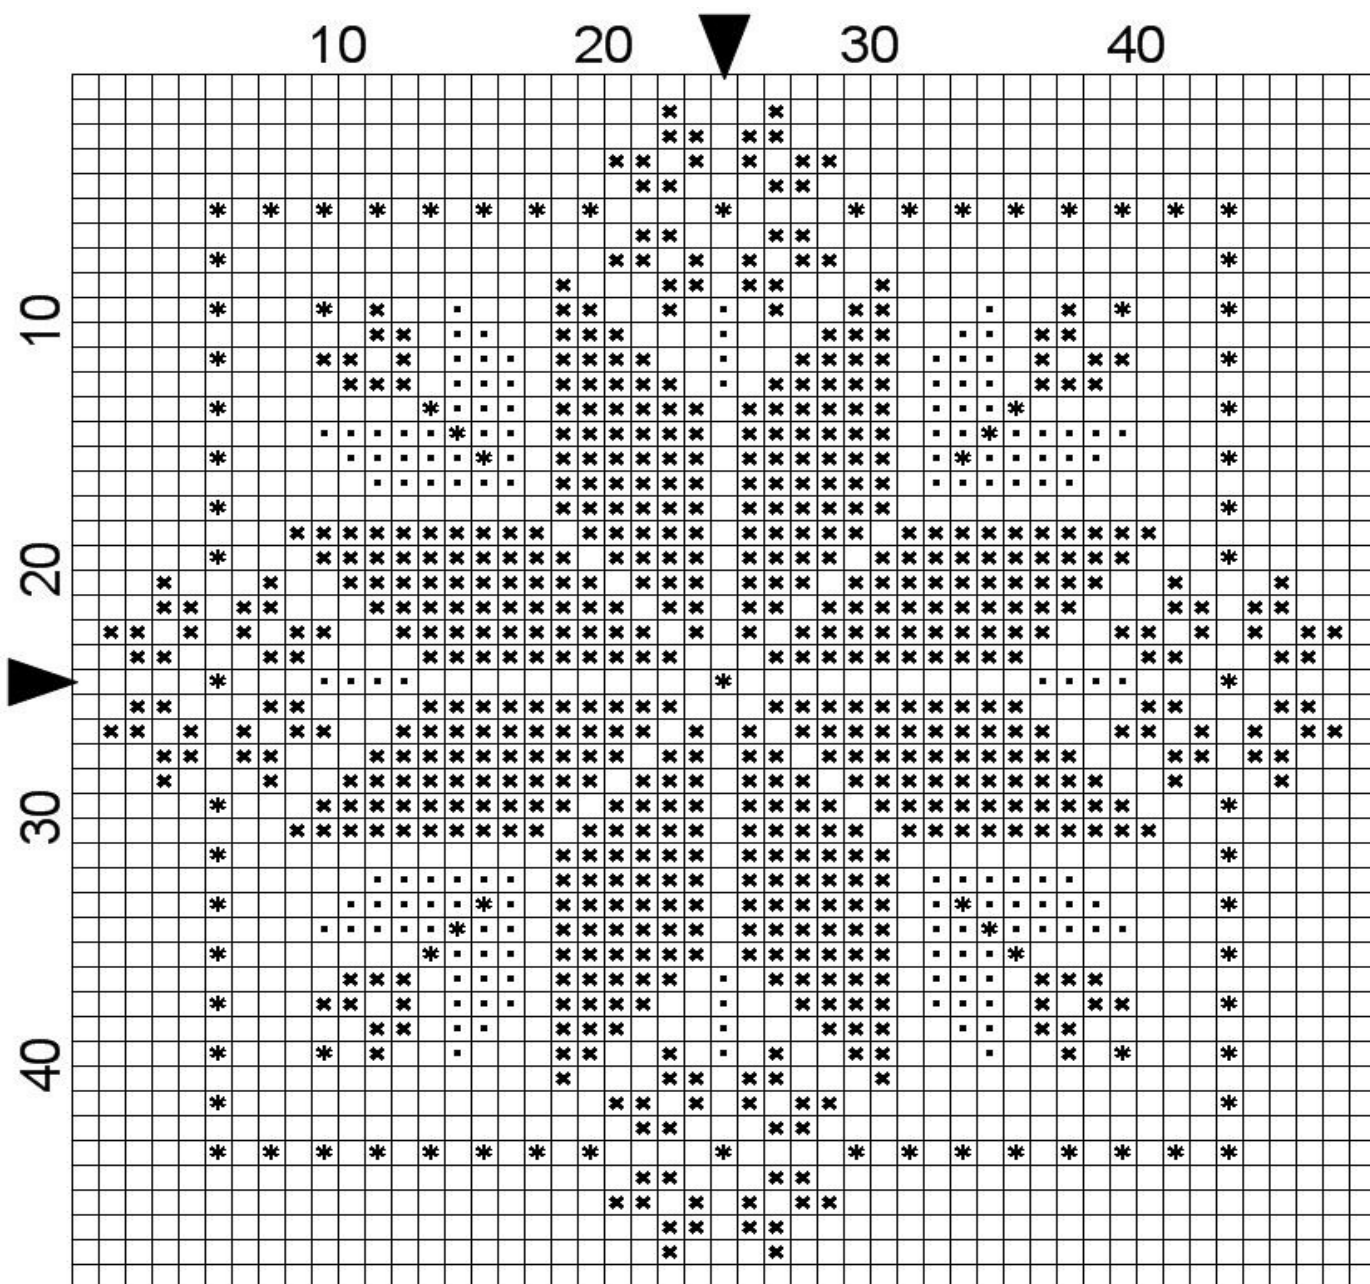

One day I was pondering over the Holiday ornament for this year, thought of a star motif which is commonly used in Scandinavian knitwear and decided to give it a try.

I wanted to design a traditional, yet different ornament with traditional colour scheme which would look good even when stitched with other colours, or even monochromatic and which my mother would love – as usual I designed this for her.

This design is very well suited for using leftover floss as it uses only about half a skein of floss altogether.

You can also substitute most of the metallic yarn with beads, or if you want less spark just substitute it with regular cotton – and with minor alterations you can just pick your favourite hand-dyed and stitch a monochromatic version.

I wish you enjoy the design and have very happy holidays!

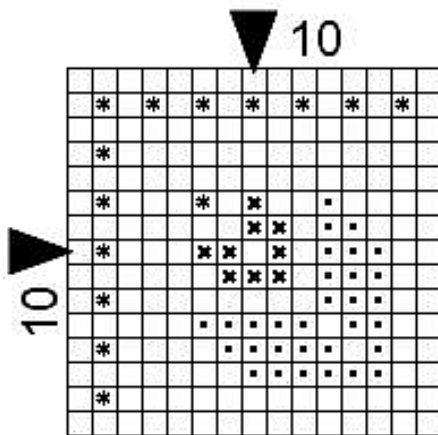

Design size: 47 x 47 stitches

✕ – DMC 666

■ – DMC 699

* - metallic gold

If you wish to stitch the design in monochrome this is the recommended version for the corners.
